

Creative (Art, DT, Music)

Art

We are continuing to create sculptures in the image of George Segal and Ray Lonsdale. The children will be using clay and paper mâché and will be appraising their own and their peers' work.

DT

We are designing wind turbines in accordance with a brief using research and drafting to formulate our ideas.

Music

Sing a broad range of Gospel songs with a sense of ensemble and performance.

PE

This half term we are learning the skills of football, where the children will be taught the techniques and tactics to enable successful participation in the sport. We will also build upon previously learned jumps, twists and rolls in gymnastics to create a floor routine performance.

MFL

French

The children will be learning to discuss who is in their family in French and also complete a written paragraph about their family structure.

Humanities (History, Geography)

Geography

The children will be continuing their jet setting experience across the Atlantic Ocean to North and South America. They will be learning about the physical and human features, climate and economics of the continents before planning a trip across the tourist attractions.

History

Similarly, this half term, we will further develop our understanding of the Kingdom of Benin and dive into its past, culture and traditions whilst engaging in some fascinating debates! We will learn all about the Benin Bronzes and discuss the merits of repatriation.

Websites

<https://www.thenational.academy/pupils/>

Computing

The children will be exploring what the medium of video is before analysing and comparing examples of videos. The children will create a storyboard before embarking on their directorial careers by filming and editing a short video.

Books/resources/films/music/visits/visitors/role play etc

Holes, BBC Bitesize, Oak National Academy, Christmas performance.

English.

- Campaign Letter
- Poetry
