

Creative (Art, DT, Music)

Art

We are going to study the artworks of William Morris, Mohamed Melehi and traditional Turkish and Islamic designs. We will appraise their creations before attempting to recreate their designs using paint and collage.

DT

We are designing and creating sustainable bug hotels to encourage biodiversity. A local coffee shop will be donating their leftover milk cartons to reduce waste.

Music

Sing a broad range of Pop songs ranging from 1970s Brit pop to 2020s K-pop.

PE

This half term we are learning the skills of hockey, where the children will be taught the techniques and tactics to enable successful participation in the sport. The children will also be choreographing their own routine to 'The Greatest Showman'.

MFL

French

The children will be learning to verbalise their likes and dislikes around food in French and also take part in café role play activities.

Humanities (History, Geography)

Geography

The children will be learning about coast and the processes of erosion. They will map the UK coastline and understand how it is changing.

History

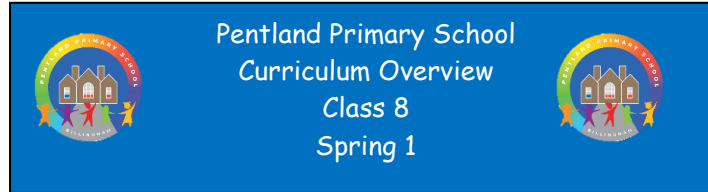

This half term, we will be studying WW1 and understanding the causes and chronology. We will be answering the question, "How did the Great War affect local people and their communities?"

Websites

<https://www.thenational.academy/pupils/>

Computing

The children will be learning the basics of programming. We will be learning how to connect crumbs, combine outputs, control conditions and draw, write and test algorithms.

Books/resources/films/music/visits/visitors/role play etc

Holes by Louis Sachar
