

Creative (Art, DT, Music)

We will be recapping the songs we have learnt over the year and choosing our favourite to perform at the end of term.

We will be creating some Anglo Saxon artefacts linked to our learning in History.

Science

Our topic is Electricity.

We will learn about:

- electrical appliances
- conductors and insulators
- circuits and components

Humanities (History, Geography)

We will continue learning about the Anglo Saxons

We will find out that they became settlers and how Britain was ruled at that time. We will learn about how the Anglo Saxons lived and important events that happened in these times.

PE

Our PE will be athletics: running, jumping and throwing.

We will show some of our athletic skills in our Sports Day activities in July.

OT

We will continue to have our daily OT sessions to help our regulation, proprioception and vestibular system.

English

We will be working hard to become better readers by practising our reading skills every day. If we read to an adult at home, three times, we will receive three dojo points.

We will have the opportunity to change our books on Tuesdays and Thursdays.

Our writing work will be explanation texts, instructions and writing nonsense poems based on 'On the Ning Nang Nong'.

We will have lessons to improve our spelling, punctuation and grammar.

Our PE lessons are on Tuesday and Thursday. No additional kit is needed; however, if your child comes to school in wellies, please ensure they have trainers or plimsolls to change into on these days.

Maths

In maths, our topics will be:

- Measurement - length, height and money
- Position and direction
- Statistics - tables, tally charts, pictograms and block diagrams

We will be practising our number bonds so that we can recall them quickly.

Life skills

We will develop our confidence in finding our way around school and delivering messages. We will continue to find ways to develop our resilience when something goes wrong.

Understanding emotions

We will talk about our emotions every day and think about how we react in different situations.

Sensory

We will explore different tastes, textures and sounds.
