

Creative (Art, DT, Music)

Art

Throughout autumn term in art, children will be focusing on and creating artwork based on Greek pottery, appraising traditional Greek pottery as well and learning to make their own using clay and acrylic paints.

DT

In DT, we will be designing and creating a decorative pillow case, learning skills such as embroidery.

Music

In music, we will be learning to play the glockenspiel and taking a look at a range of music within the disco genre to accompany our instrument playing.

MFL

French

This half term in French, we will be developing our vocabulary of body parts. We will sing heads, shoulders, knees and toes as well as looking at animal body parts.

PE

This half term, we are taking part End Zone and gymnastics. We will also be doing Fit4Life on a daily basis to encourage a habit of healthy lifestyles.

Computing

In computing, we will create media using stop frame animation using the ipads. We will create a short movie which we will share in class.

When I am walking my iguana

Times tables Rockstars

English

We will be learning to write a narrative to entertain, a letter to persuade, recite a poem, and write a diary entry.

In grammar, we will be recapping fronted adverbials, suffixes and working on spelling rule consolidation. We will also learn to use inverted commas within our writing.

We will be reading a range of fiction and non-fiction texts alongside poetry. These will support our fluency and comprehension.

In KS2 it is expected that children read at home at least 3x per week. Reading diaries must be signed to help support your child's progress.

Science

Topic - Light

This term in science will be focusing on light and recognising that light can reflect off different surfaces. We will look at the dangers of light from the sun and how we can protect our eyes from UV rays. We will also look at how shadows are created.

RE

In RE we will be answering the big question 'What is the big story of Christmas?' We will look at how Christmas is celebrated by Christians and how this adds to the big picture of Christianity.

We will also be visiting St Aidan's church to complete Christmas crafts.

Maths

In maths, we will be starting the half term by looking at multiplication and division. We will be identifying factors, factor pairs before moving onto solving multiplication and division problems including multiplying a 3 digit number by a 1 digit number.

We will then move on to looking at statistics and different methods of recording our results.

This half term we will be focussing on the following times tables:

- 4x
- 8X
