

Creative (Art, DT, Music)

Art

Throughout spring term in art, children will be focusing on and creating artwork based on Pop Art. We will be looking at the works of Roy Lichtenstein and David Hockney.

DT

In DT, we will be designing and creating a free standing tower. We will research famous towers and apprise them. We will design and create or own tower before evaluating it.

Music

In music, we will be learning to play the recorder and taking a look at a range of music to accompany our instrument playing.

MFL

French

This half term in French, we will be developing our vocabulary by learning the names of different buildings within a local community.

PE

This half term in PE we will be learning all about Tag Rugby. We will be joined by our school sports coach Mr Littlefair. We are looking forward to learning how to play the sport and developing our team skills.

Computing

In computing, we will be looking at how to stay safe online. We will also be looking at how the internet works and how networks are made.

Websites

[Times Tables Rock Stars: Play \(ttrockstars.com\)](http://ttrockstars.com)

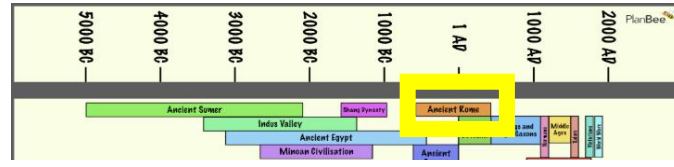

Humanities (History, Geography)

Geography

This half term in geography we will be learning all about Europe. We will start by locating countries in Europe before moving onto locating capital cities and exploring how land is utilised differently in each country within Europe.

History

The term in History we will be strengthening our knowledge learnt last term on the Romans by exploring the impact that the Roman invasion had on Britain.

Books/resources/films/music/visits/visitors/role play etc

Times Table Rockstars

MFC will be working with Year 4 completing a 'Joy of Moving' programme each Friday morning.

English.

In English this half term we will be learning to write the following texts:

- Instructions
- Poetry
- Podcast
- Advertisement/poster
- Narrative

In KS2 it is expected that children read at home at least 3x per week. Reading diaries must be signed to help support your child's progress.

Science

Topic - Sound

This term in science will be focusing on learning how sounds are made. We will be exploring how the pitch of sound changes and how vibrations travel.

We have loved our first lesson so far - Did you know there is no sound in Space?

RE

In RE we will learning all about Buddhism. We will explore the beliefs of Buddhists before looking at how Buddhists practice their faith. We have already taken part in our first meditation session and look forward to developing our understanding further.

Maths

In maths, we will be covering the following topics.

- Fractions and decimals
- Area, perimeter and length
- Properties of shape including angles

This half term we will be focussing on the following times tables:

- X7

Please help your child prepare for the June multiplication check by encouraging daily use of Times Table Rockstars.
