

Creative (Art, DT, Music)

Art

Throughout Summer we will be exploring the work of Georgia O'keeffe and Claude Monet. We will then be exploring paintings before creating our own painting inspired by our chosen artists.

DT

In DT, we will be designing and creating the mechanisms required to create our very own miniature lighthouse.

Music

In music, we will appraising and responding to a range of folk music. We will be using Charanga to assist us.

MFL

French

This half term in French, we will be developing our vocabulary by learning the names of different countries, cities and flags.

PE

This half term in PE we will be completing a unit of dance. We will begin to choreograph a routine creating various movements across different levels.

We will also be completing cricket improving our batting, bowling and fielding skills.

Computing

In computing, we will be looking at how to stay safe online. We will also be looking at creating media using Word for desktop publishing.

Websites

Times Tables Rock Stars: [Play \(trockstars.com\)](http://trockstars.com)

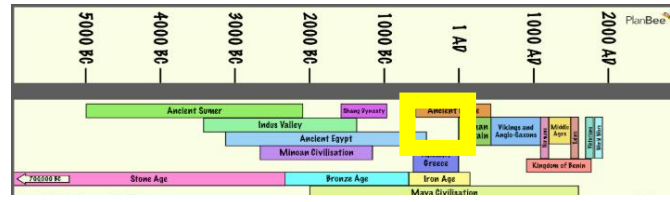

Humanities (History, Geography)

Geography

This term in geography we will be learning all about climate zones. We will be answering the big question 'Climate Zones: What are they and why are they important?'

History

The term in History we will be learning all about the Ancient Greeks. We will be answering the questions 'How have the Greeks shaped the world now?'
